ECONOMIC PRICE ADJUSTMENT <EPA> (for 132-51)

Per C.27 GSAR 552-216-70 Economic Price Adjustment (EPA), Sigma Information Management Corporation may request a rate adjustment 30 days prior to the end of the 12 months, and every 12-month period thereafter. The EPA will be based on the Department of Labor's Employment Cost Index for Total Compensation; White Collar Professional, Specialty and Technical, with special consideration for the Information Technology industry.

SERVICE CONTRACT ACT, AS AMENDED

All primary categories offered by Sigma Information Management Corporation are exempt from the Service Contract Act of 1965, as amended. Any categories that fall under the Service Contract Act of 1965, as amended, must be incidental to and used solely to support hardware, software and/or professional services, and cannot be purchased separately.

Sigma Information Management Corporation will include in its pricelist the following note:

"Note: All non-professional labor categories must be incidental to and used solely to support hardware, software, training and/or professional services, and cannot be purchased separately."

Offer certified that the Information Technology Schedule is not to be used as a means to procure services which properly fall under the Brooks Act. These services include, but are not limited to, architectural, engineering, mapping, cartographic production, remote

sensing, geographic information systems, and related services. FAR 36.6 distinguishes between mapping services of an A/E nature and mapping services which are not connected nor incidental to the traditionally accepted A/E Services.

COMMERCIAL PRACTICES

In this portion of the FPR, the service provider is requested to provide a statement that all commercial business practices have been fully disclosed and are current, accurate and complete as of the conclusion of negotiation.

TRAVEL

Any Contractor travel required in the performance of this contract must comply with the Federal Travel Regulation or Joint Travel Regulations, as applicable, in effect on the date(s) the travel is performed. Established Federal Government per diem rates will apply to all Contractor travel. Contractors cannot use GSA city pair contracts. The

Contractor shall not add the 0.75% Industrial Funding Fee onto the travel costs.

PRICE REDUCTION MONITORING

As prescribed in GSAR 538.273(b)(2) which states in part "there shall be no price reduction for sales to Federal agencies" Sigma Information agrees that as long as the International Broadcasting Bureau and U.S. Department of State or any other Federal agency remains Sigma Information Most Favored Customer the price reduction clause will not apply.

Closure

Sigma Information Management Corporation certifies that all data submitted is accurate, current, and complete representations as of <4/15/2019>. Sigma Information Management Corporation understands that 0.75% of sales under the contract constitute the Industrial Funding Fee, which must be set aside for the remittance to GSA on a quarterly basis.

Sigma Information Management Corporation certifies that the data, as applicable, for FAR 52.222-41 Service Contract Act of 1965, As Amended and FAR 52.222-46 Evaluation of Compensation for Professional Employees has been submitted for SIN 132-51 IT Professional Services.

Offeror agrees that the SCA does not apply because the positions are Executive, Professional and/or Administrative in nature. Since the proposed service contract is expected to exceed the \$500,000 threshold established by FAR 22.1103, and evaluation of the Offeror's Employee Compensation Plan was performed in accordance with FAR 52.222-46, Evaluation of Compensation for Professional Employees. The Offeror compensation plan was determined to be adequate for the purposes of FAR 52.222-46.

This is Sigma Information Management Corporation's Final Proposal Revision.
